Beaulieu® warrants to the original purchaser of its laminate flooring product (“product”) that the surface finish will not wear through, stain or fade from sunlight or artificial light for a period of 25 years. Wear through is defined as a total loss of pattern for a minimum of two (2) square inches (13 cm²); loss of gloss is not considered wear through. The warranty period runs from the date of purchase and covers only products used under normal residential conditions. This warranty is for single-family owner-occupied residential installations only.

This general warranty or parts thereof are subject to restrictions and limitations, excluding those generally accepted by the industry to not apply to laminate flooring.

- Areas that are considered as having general traffic areas include hotel or school corridors and lobbies, auditoriums, classrooms, general offices, boutiques, restaurants, retail sales floors.

Other than the designation of the limited commercial warranty period, this general warranty is still subject to restrictions and limitations, excluding those generally accepted by the industry to not apply to laminate flooring.

25-YEAR LIMITED WARRANTY ON MANUFACTURING DEFECTS

Beaulieu warrants to the original purchaser of its product that, if properly installed and maintained, the product shall remain free of manufacturing defects in milling, dimension, lamination or assembly for a period of 25 years.

NOTE: Industry standards allow a tolerance in quality variation not exceeding 5% of the total quantity purchased. Beaulieu will replace any defective material in excess of this tolerance excluding any labor or related costs. The owner is responsible for final inspection of the product before installation. If the owner hires a third party to install the product, the owner is responsible for that party’s judgment. Material already installed will be deemed acceptable by the owner or installer and will not be considered for warranty. This warranty is subject to restrictions and limitation.

Any defective planks must be put aside and the retailer must be informed in writing within 30 days, after which no further claim may be submitted. Beaulieu reserves the right to refuse a claim if the amount of defective planks is less than 5% of total install. Color and gloss variations resulting from adding material to an existing installation are not covered by this warranty.
- 3. Abnormal use.** This warranty does not cover products that have been put through abnormal use or conditions or abused in any way. This includes, but is not limited to, damage caused by standing liquid or water leaks, damage from falling objects, damage caused by dragging objects or furniture, neglect, pets, high heel shoes, pebbles or abrasive materials, and improper maintenance. - 6. Subfloor and underlayment.** Problems resulting from improper subfloors or underlayment may void this warranty. Prolonged exposure to liquids may damage the product; therefore, spilled liquids must be wiped up immediately. Cleaning with excess water or the use of inappropriate cleaners will void the warranty. This product must never be waxed, polished nor steam cleaned. Scratches caused by sand or grit will also not be covered.

GENERAL

These warranties apply only to the original purchaser and to flooring in its original installation, are prorated and are not transferable. The original purchaser must keep the original receipt as proof of purchase. If a problem appears which is covered by these warranties, the original purchaser must contact the retailer within 30 days of detecting the issue to describe the problem.

Beaulieu reserves the right at any time to modify or discontinue any of its products and will not be liable as a result of any such change. If the original product or color is no longer available, Beaulieu may substitute reasonably comparable products.

The consumer and installer are responsible for final inspection and approval prior to permanent installation. No repairs, except for urgent ones, may be made until after such inspection or until Beaulieu indicates that such inspection is not required.

If a defect covered by these warranties appears during the warranty period, Beaulieu will, at its discretion, repair or replace the defective product. Labor costs for removal and reinstallation of product are not included.

These limited warranties do not include the cost of moving furniture or other heavy objects. The owner is responsible for providing a clear floor area to allow warranty repair work to be carried out without hindrance.
